Lucamzi to require prior authorization for Medicare Advantage members starting Jan. 1

To help meet our goal of promoting safe, effective treatment while responsibly managing healthcare costs, we'll require prior authorization for the following drug for Medicare Plus Blue and BCN Advantage members. This requirement supports clinically appropriate, cost-effective care and helps ensure medical benefit drugs are used safely and effectively.

Brand name	Generic name	HCPCS code	For dates of service on or after
Lucamzi™	ranibuzumab-blrz	J3590	Jan. 1, 2027

Submit prior authorization requests through the Medical and Pharmacy Drug PA Portal.
