

New and updated questionnaires in the e-referral system starting Aug. 28

On Aug. 28, 2022, we'll add and update questionnaires in the e-referral system. We'll also add and update the corresponding preview questionnaires on the **ereferrals.bcbsm.com** website.

As a reminder, we use our authorization criteria, our medical policies and your answers to the questionnaires in the e-referral system when making utilization management determinations on your authorization requests.

New questionnaires

We added the following questionnaires for BCN commercial and BCN Advantage members:

- *Breast elastography* — For adult members. Opens for procedure codes *76391, *76981 and *76982.
- *Responsive neurostimulator/deep brain stimulation trigger* — For pediatric and adult members. Opens for procedure codes *61850, *61863, *61864, *61868, *61880, *61885 and *61888.
- *Responsive neurostimulation for the treatment of refractory partial epilepsy* — For adult members. Opens for procedure codes *61850, *61860, *61863, *61864, *61868, *61880, *61885, *61888 and *95836.

Updated questionnaire

We updated a question on the *Prostatic urethral lift* questionnaire, which opens for adult BCN commercial and BCN Advantage members.

Preview questionnaires

You can access preview questionnaires at **ereferrals.bcbsm.com**. They show the questions you'll need to answer in the questionnaires that open in the e-referral system so you can prepare your answers ahead of time.

To find the preview questionnaires, click *BCN* and then click [Authorization Requirements & Criteria](#). Scroll down and look under the "Authorization criteria and preview questionnaires" heading.

Authorization criteria and medical policies

The pertinent authorization criteria and medical policies are also available on the Authorization Requirements & Criteria page.
