

Additional medical benefit drugs will require prior authorization for URMBT members with Blue Cross non-Medicare plans starting Jan. 1

For dates of service on or after Jan. 1, 2023, Blue Cross will manage prior authorizations for additional medical benefit drugs for UAW Retiree Medical Benefits Trust members with Blue Cross non-Medicare plans.

You'll find a list of these drugs later in this alert. You'll need to submit prior authorization requests either to AIM Specialty Health® or through the NovoLogix® online tool.

These drugs are part of members' medical benefits, not their pharmacy benefits.

These requirements don't apply:

- When these drugs are administered in an inpatient setting
- To the UAW Retiree Health Care Trust (group number 70605) or the UAW International Union (group number 71714)

More about prior authorization requirements

Authorization isn't a guarantee of payment. As always, health care practitioners need to verify eligibility and benefits for members.

For additional information on requirements related to drugs covered under the medical benefit for URMBT members with Blue Cross non-Medicare plans, see:
