

Provider Secured Services and web-DENIS retirement continues on Oct. 25

The third phase of retirement for Provider Secured Services and web-DENIS will happen on Oct. 25, 2022, as announced in the [October 2022 issue of *The Record*](#).

Oct. 24 is the last day to use Provider Secured Services to access:

- The HCPCS lookup tool
- All links to applications for submitting referral and prior authorization requests

Beginning Oct. 25, the HCPCS lookup tool and links for referral and prior authorization requests will be available only on our new provider portal.

For more information, read the [October Record article](#) and view the updated [Applications removed from Provider Secured Services](#).
