

Lantidra and Rethymic to require prior authorization for most commercial members

For the dates of service specified below, we're adding prior authorization requirements for most Blue Cross Blue Shield of Michigan and Blue Care Network group and individual commercial members for the following drugs covered under the medical benefit:

Brand name	Generic name	HCPCS code	Prior authorization required for dates of service on or after
Lantidra™	donislecel-jujn	J3590	Aug. 24, 2023
Rethymic®	Allogeneic processed thymus tissue-agdc	J3590	Nov. 16, 2023

How to submit prior authorization requests

Submit prior authorization requests through the NovoLogix® online tool. It offers real-time status checks and immediate approvals for certain medications.

To access NovoLogix, log in to our provider portal (availity.com*), click *Payer Spaces* in the menu bar and then click the BCBSM and BCN logo. You'll find links to the NovoLogix tools on the Applications tab.

Note: If you need to request access to our provider portal, see the [Register for web tools](#) webpage on **bcbsm.com**.

Some Blue Cross commercial groups not subject to these requirements

For Blue Cross commercial groups, these prior authorization requirements apply only to groups that participate in the standard commercial Medical Drug Prior Authorization Program for drugs administered under the medical benefit. To determine whether a group participates in the prior authorization program, see the [Specialty Pharmacy Prior Authorization Master Opt-in/out Group list](#).

Note: Blue Cross and Blue Shield Federal Employee Program® members and UAW Retiree Medical Benefits Trust (non-Medicare) members don't participate in the standard prior authorization program.

List of requirements

For a full list of requirements related to drugs covered under the medical benefit, see the [Blue Cross and BCN utilization management medical drug list for Blue Cross](#)

You can access this list and other information about requesting prior authorization on the following pages of the **ereferrals.bcbsm.com** website:

Prior authorization isn't a guarantee of payment. Health care practitioners need to verify eligibility and benefits for members.
