When prior authorization is required

These drugs will require prior authorization when they are administered by a health care provider in sites of care such as outpatient facilities or physician offices and are billed in one of the following ways:

- Electronically through an 837P transaction or on a professional CMS-1500 claim form
- Electronically through an 837I transaction or using the UB04 claim form for a hospital outpatient type of bill 013x

Submit prior authorization requests through NovoLogix

To access NovoLogix, log in to our provider portal (availity.com*), click *Payer Spaces* in the menu bar and then click the BCBSM and BCN logo. You'll find links to the NovoLogix tools on the Applications tab.

Note: If you need to request access to our provider portal, follow the instructions on the [Register for web tools](https://bcbsm.com/providers) webpage at bcbsm.com/providers.
