

New Blue Elect Plus HRA POS

Blue Care Network is now offering a new health reimbursement arrangement, Blue Elect Plus HRASM POS. The new point-of-service plan allows large employer groups to pair a health reimbursement account with any of our Blue Elect Plus POS options.

Providers will experience several enhancements with this new plan including:

- No referrals required
- No PCP assignment for out-of-state members
- Member's spending account may cover all or a portion of their liability

Providers will see these enhancements on the member's ID card, within Availity, PARS and 270/271 transactions. These same enhancements are in place for all BCN plans with an HRA option.

For more information, please see [Page 7 of the January-February 2025 BCN Provider News](#). More information about our Blue Elect Plus plans can be found on the [Blue Elect Plus POS page](#) of ereferrals.bcbsm.com.
