These requirements apply only when these drugs are administered in an outpatient setting.

Submit prior authorization requests through NovoLogix or the Carelon provider portal when these drugs will be billed as a medical benefit.

Note: The requirements don't apply to the UAW Retiree Health Care Trust (group number 70605) or the UAW International Union (group number 71714).

How to submit authorization requests

To submit requests, log in to our provider portal (availability.com*), click *Payer Spaces* in the menu

bar and then click the BCBSM and BCN logo. You'll find links to the NovoLogix tools and the Carelon provider portal on the Applications tab.

Note: If you need to request access to our provider portal, see the [Register for web tools](#) webpage on **bcbsm.com**.

For drugs that have a site-of-care requirement, you'll be prompted to select a site of care when you submit prior authorization requests. If the request meets clinical criteria for the drug and is for one of the following sites of care, it will be approved automatically:

- Doctor's or other health care provider's office
- Ambulatory infusion center
- The member's home, from a home infusion therapy provider

More about requirements for medical benefit drugs

For additional information on requirements related to drugs covered under the medical benefit for URMBT members with Blue Cross non-Medicare plans, see:
