

Updated: Simlandi preferred adalimumab product for Blue Cross, BCN commercial members

Simlandi[®], an interchangeable biosimilar to Humira[®] (adalimumab), is the preferred adalimumab product for most Blue Cross Blue Shield of Michigan and Blue Care Network commercial members.

When submitting a prior authorization request for an adalimumab product, select one of these preferred products:

Preferred adalimumab products	National Drug Codes
Simlandi kit 40/0.4 mL	51759-0412-22
Simlandi 1 pen kit 40/0.4 mL	51759-0402-17
Simlandi 2 pen injection 40/0.4 mL	51759-0402-02

If any of the below adalimumab products are selected when submitting a prior authorization, the authorization will be rejected and may delay the member's therapy.

Nonpreferred adalimumab products	National Drug Codes
Adalimumab-ryvk(CF) 40 mg syringe	82009-0158-22
Adalimumab-ryvk (2 pens)	82009-0156-22

For a list of prior authorization and renewal requirements for pharmacy benefit drugs, refer to our *Prior Authorization and Step Therapy* documents at bcbsm.com/rxinfo.
