

New Acute inpatient hospital assessment form for commercial and Medicare Advantage members

On Jan. 28, 2025, we published a new [Acute inpatient hospital assessment form](#). Use this form for Blue Cross Blue Shield of Michigan commercial, Medicare Plus Blue, Blue Care Network commercial and BCN Advantage members.

Both Michigan and non-Michigan providers must now use the *Acute inpatient hospital assessment form* for acute inpatient medical and surgical admission requests for all members. Follow the instructions on the form.

The new form replaces the separate commercial and Medicare Advantage forms you've previously used.
