

## Alyglo, Amtagvi and Loqtorzi to have requirements for Blue Cross commercial URMBT members starting June 1

For dates of service on or after June 1, 2025, the drugs listed below will have requirements for UAW Retiree Medical Benefits Trust members with Blue Cross non-Medicare plans. Submit requests using the online tools indicated below.

Drug	New requirement(s)		Submit requests through	
	Prior authorization	Site of care	NovoLogix <sup>1</sup>	Carelon
Alyglo™ (immune globulin intravenous), HCPCS code J1552	✓	✓	✓	
Amtagvi™ (lifileucel), HCPCS code J3590	✓		✓	
Loqtorzi® (toripalimab-tpzi), HCPCS code J3263	✓			✓

<sup>1</sup>As communicated in a [Jan. 3, 2025 provider alert](#), health care providers will need to submit prior authorization requests for medical benefit drugs that are currently submitted through the NovoLogix® online tool through a different application. This applies to dates of service on or after April 1, 2025.

These requirements apply only when these drugs are administered in an outpatient setting.

Submit prior authorization requests through the NovoLogix® online tool or the Carelon Medical Benefits Management provider portal when these drugs will be billed as a medical benefit.

Note: The requirements don't apply to the UAW Retiree Health Care Trust (group number 70605) or the UAW International Union (group number 71714).

### How to submit authorization requests

To submit requests, log in to our provider portal ([availability.com](#)\*), click *Payer Spaces* in the menu bar and then click the BCBSM and BCN logo. On the Applications tab, click the tile to open the appropriate tool.

Note: If you need to request access to our provider portal, see the [Register for web tools](#) webpage on [bcbsm.com](#).

For drugs that have a site-of-care requirement, you'll be prompted to select a site of care when you submit prior authorization requests. If the request meets clinical criteria for the drug and is for one of the following sites of care, it will be approved automatically:

- Doctor's or other health care provider's office
- Ambulatory infusion center
- The member's home, from a home infusion therapy provider

### More about requirements for medical benefit drugs

For additional information on requirements related to drugs covered under the medical benefit for URMBT members with Blue Cross non-Medicare plans, see:

We'll update the pertinent drug lists to reflect the information in this message prior to the effective date.

As a reminder, prior authorization isn't a guarantee of payment. Health care providers need to verify eligibility and benefits for members.
