

## Inspire V device to require prior authorization for commercial members starting Jan. 1

For dates of service on or after Jan. 1, 2026, procedure code \*64568 for the Inspire® V device will require prior authorization for:

- Blue Cross Blue Shield of Michigan commercial members
- Blue Care Network commercial members

Note: The Inspire IV device already requires prior authorization. Because either device can be used for treatment, we're also requiring prior authorization for the Inspire V device.

For members whose sleep studies are managed by Blue Cross or BCN, submit prior authorization requests through the e-referral system.

For members whose sleep studies are managed by Carelon Medical Benefits Management, submit prior authorization requests to Carelon.

For additional information, see the [Sleep Studies](#) page on **authorizations.bcbsm.com**.

[Subscribe](#) to Provider Alerts Weekly, a weekly email with a list of links to the previous week's provider alerts.
