Blue Cross and BCN members can resume or continue to seek healthcare services through any of Michigan Medicine's facilities or physicians, including those in Southeast Michigan, as they continue the provider network status they have today, including:

- In-network for Blue Cross PPO

- Participating in the Blue Cross Traditional health plan

This new agreement preserves access to Michigan Medicine's excellent patient care, while also promoting affordability for Blue Cross members and customers. We greatly value the care that the talented staff at Michigan Medicine provides and are pleased we could reach a mutually beneficial contract for the health system, as well as for the budgets and peace of mind of our members and customers.
