

## Check eligibility and benefits before prescribing CGM products for University of Michigan employer group members

Continuous glucose monitors, or CGM products, are not covered under the Blue Cross or BCN commercial medical benefit for University of Michigan employer group members (group numbers 007005187 and 00124316). These members must fill CGM prescriptions through their pharmacy benefit payer, Prime Therapeutics™.

The following CGM procedure codes are part of University of Michigan employer group members' pharmacy benefits:

- A4238
- A4239
- A9276
- A9277
- A9278
- A9279
- E2102
- E2103

For questions and claim information, healthcare providers can contact Prime Therapeutics using the following methods:

- Phone: 1-888-272-1346
- Fax: 1-800-424-7648
- Prime Therapeutics Provider Portal: [umich.primetherapeutics.com](https://umich.primetherapeutics.com)\*

For more information about CGM benefits, refer to the document [Continuous glucose monitor products: Frequently asked questions for prescribing providers](#) on [authorizations.bcbsm.com](https://authorizations.bcbsm.com). It covers important information about CGM coverage and what you need to do to ensure your patients can obtain CGM products. We'll update the document to include exceptions for the University of Michigan Employer Group.
