April 6, 2026

Michigan Medicine's Southeast Michigan pharmacies may leave the Blue Cross and BCN specialty network on July 1.

Dear <Member First Name>,

We are obligated to notify you of a situation that may impact your insurance coverage for a specialty drug that you, or someone on your plan, has been receiving through Michigan Medicine's specialty pharmacy. Blue Cross is currently negotiating a contract renewal with Michigan Medicine, also known as the University of Michigan hospital system or health system. Michigan Medicine's current payment contract with Blue Cross expires on June 30, and the system has notified Blue Cross of its intent to terminate its status as a participating provider in our network if a new contract is not reached.

While we are determined to reach a new contract, your specialty drug may no longer be covered under your pharmacy benefits when filled at Michigan Medicine pharmacies after June 30.

What you need to consider

To ensure you do not experience an interruption in the availability of your medication, we recommend you consider making arrangements to transfer your specialty prescriptions to Walgreens Specialty Pharmacy, which is in-network with Blue Cross and will provide you with the drug at the same cost, in advance of the June 30 deadline. To get started, call Walgreens Specialty Pharmacy at **1-866-515-1355** to set up your profile for home delivery. You can also ask your health care provider to send a new prescription to Walgreens Specialty Pharmacy electronically or by fax to **1-866-515-1356**.

Blue Cross Blue Shield of Michigan and Blue Care Network have been working with Walgreens Specialty Pharmacy for nearly 20 years. Together, we are committed to providing you with personalized, high-quality health care solutions and a variety of delivery options and services. Walgreens Specialty Pharmacy offers highly effective prescription fulfillment and support, so you can focus on your health. It offers 24/7 access to a pharmacist or nurse to answer your medication questions.
